Item 1.01 Entry into a Material Definitive Agreement.***Purchase Agreement***

On October 10, 2017, Targa Resources Partners LP (the “Partnership”) entered into a Purchase Agreement (the “Purchase Agreement”), among the Partnership, its wholly-owned subsidiary, Targa Resources Partners Finance Corporation (“Finance Corp” and, together with the Partnership, the “Issuers”), certain subsidiary guarantors named therein (the “Guarantors”) and Citigroup Global Markets Inc., as representative of the several initial purchasers listed in Schedule 1 thereto (the “Initial Purchasers”), pursuant to which the Issuers agreed to issue and sell to the Initial Purchasers (the “Offering”) \$750,000,000 in aggregate principal amount of the Issuers’ 5% senior unsecured notes due 2028 (the “Notes”). The Notes were sold at par, resulting in gross proceeds to the Partnership of \$744,375,000.

The Purchase Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions under which the Issuers and the Guarantors, on the one hand, and the Initial Purchasers, on the other, have agreed to indemnify each other against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the “Securities Act”).

Relationships

The Initial Purchasers or their respective affiliates have performed investment banking, financial advisory and commercial banking services for the Partnership and certain of its affiliates, for which they have received customary compensation, and they may continue to do so in the future. The Partnership intends to use the net proceeds from the Offering to redeem its 5% senior unsecured notes due 2018 (“2018 Notes”), reduce borrowings under its credit facilities, and for general partnership purposes, which may include redemptions or repurchases of its other outstanding notes, repaying other indebtedness, working capital and funding capital expenditures and acquisitions. Because certain of the Initial Purchasers or their affiliates (i) may be holders of (or manage accounts that hold) the 2018 Notes that the Partnership will redeem with the net proceeds from the Offering and (ii) are lenders under the Partnership’s credit facilities, such Initial Purchasers and affiliates may receive a portion of the proceeds from the Offering. The Partnership has entered into swap transactions with certain of the Initial Purchasers and has agreed to pay these counterparties a fee in an amount the Partnership believes to be customary in connection with these transactions.

The description set forth above in Item 1.01 is qualified in its entirety by the Purchase Agreement, which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03 of this Current Report on Form 8-K.

Item 8.01 Other Events.

On October 10, 2017, the Partnership issued a press release announcing its commencement of the Offering. A copy of the Partnership’s press release is filed as Exhibit 99.1 hereto and is incorporated by reference into this Item 8.01.

Also on October 10, 2017, the Partnership issued a press release announcing the pricing of the Notes. A copy of the Partnership’s press release is filed as Exhibit 99.2 hereto and is incorporated by reference into this Item 8.01.

Each of the press releases shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state in which the offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state.

Ladies and Gentlemen:

Targa Resources Partners LP, a limited partnership organized under the laws of Delaware (the "Partnership"), along with Targa Resources Partners Finance Corporation, a Delaware corporation ("Finance Co") and, together with the Partnership, the "Issuers"), hereby confirm their agreement with the several Initial Purchasers listed in Schedule 1 hereto (the "Initial Purchasers"), for whom Citibank Global Markets Inc. is acting as representative (the "Representative") as set forth below.

Targa Resources GP LLC, a Delaware limited liability company (the "General Partner"), owns a 2% general partnership interest in the Partnership. The Partnership's direct or indirect majority-owned subsidiaries are listed in Schedule 2 hereto and are referred to herein as the "Subsidiaries"; and the Subsidiaries listed in Schedule 3 hereto are referred to herein as the "Non-Guarantor Subsidiaries."

Section 1. The Securities. Subject to the terms and conditions herein contained, the Issuers propose to issue and sell to the Initial Purchasers \$750,000,000 aggregate principal amount of their 5% Senior Notes due 2028 (the "Notes"), which will be unconditionally guaranteed on a senior basis as to principal, premium, if any, and interest (the "Guarantees") by the Subsidiaries of the Partnership named in Schedule 4 hereto (each individually, a "Guarantor" and collectively, the "Guarantors" and, together with the entities named in Schedule 5 hereto, the "Material Subsidiaries"). The Guarantors, other than Targa SouthOk NGL Pipeline LLC, an

Oklahoma limited liability company (“SouthOk”), are referred to herein as the “Covered Guarantors”, and the Guarantors, other than the entities named on Schedule 6 hereto, are referred to herein as the “Non-TPL Guarantors.” The Notes are to be issued under an indenture (the “Indenture”) to be dated as of October 17, 2017, by and among the Issuers, the Guarantors and U.S. Bank National Association, as Trustee (the “Trustee”).

The Notes will be offered and sold to the Initial Purchasers without being registered under the Securities Act of 1933, as amended (the “Act”), in reliance on exemptions therefrom.

In connection with the sale of the Notes, the Issuers have prepared a preliminary offering memorandum dated October 10, 2017 (including any documents incorporated therein by reference, the “Preliminary Memorandum”) setting forth or including a description of the terms of the Notes, the terms of the offering of the Notes, a description of the Partnership and any material developments relating to the Partnership after the date of the most recent historical financial statements included therein. As used herein, “Pricing Disclosure Package” shall mean the Preliminary Memorandum, as supplemented or amended by the written communications listed on Annex A hereto in the most recent form that has been prepared and delivered by the Issuers to the Initial Purchasers in connection with their solicitation of offers to purchase Notes prior to the time when sales of the Notes were first made (the “Time of Execution”). Promptly after the Time of Execution and in any event no later than the second Business Day following the Time of Execution, the Issuers will prepare and deliver to each Initial Purchaser a final offering memorandum (including any documents incorporated therein by reference, the “Final Memorandum”), which will consist of the Preliminary Memorandum with such changes therein as are required to reflect the information contained in the amendments or supplements listed on Annex A hereto. The Issuers hereby confirm that each of the Issuers has authorized the use of the Pricing Disclosure Package, the Final Memorandum and the Recorded Road Show (defined below) in connection with the offer and sale of the Notes by the Initial Purchasers.

All references in this Agreement to financial statements and schedules and other information which are “contained,” “included” or “stated” in the Offering Memorandum (as defined below) (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which are incorporated by reference in the Offering Memorandum; and all references in this Agreement to amendments or supplements to the Offering Memorandum shall be deemed to mean and include the filing of any document under the Securities Exchange Act of 1934 (the “Exchange Act”) which is incorporated by reference in the Offering Memorandum.

The Initial Purchasers and their direct and indirect transferees of the Notes will be entitled to the benefits of a Registration Rights Agreement (the “Registration Rights Agreements”), pursuant to which the Issuers and the Guarantors will agree, among other things, to file a registration statement (the “Registration Statement”) with the Securities and Exchange Commission (the “Commission”) registering the Notes or the Exchange Notes (as defined in the Registration Rights Agreement) under the Act, unless (i) the Notes are freely transferable without volume restrictions by holders that are not affiliates of the Issuers in accordance with Rule 144 (or any similar provision then in effect), (ii) the Notes do not bear a restrictive legend and (iii) the Notes do not bear a restricted CUSIP number as of the 370th day after the Closing Date.

Section 2. Representations and Warranties. As of the Time of Execution and at the Closing Date, the Issuers and the Guarantors jointly and severally represent and warrant to and agree with each of the Initial Purchasers as follows (references in this Section 2 to the “Offering Memorandum” are to (i) the Pricing Disclosure Package in the case of representations and warranties made as of the Time of Execution and (ii) both the Pricing Disclosure Package and the Final Memorandum in the case of representations and warranties made at the Closing Date):

(a) The Preliminary Memorandum, on the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the Time of Execution, the Pricing Disclosure Package did not, and on the Closing Date, will not, and the Final Memorandum as of its date and on the Closing Date will not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Issuers and the Guarantors make no representation or warranty as to the information contained in or omitted from the Pricing Disclosure Package and Final Memorandum, in reliance upon and in conformity with information furnished in writing to the Partnership by or on behalf of the Initial Purchasers through the Representative specifically for inclusion therein. The Issuers and the Guarantors have not distributed or referred to and will not distribute or refer to any written communications (as defined in Rule 405 of the Act) that constitute an offer to sell or solicitation of an offer to buy the Notes (each such communication by the Issuers and the Guarantors or each of their agents and representatives (other than the Pricing Disclosure Package and Final Memorandum), an “Issuer Written Communication”) other than the Pricing Disclosure Package, the Final Memorandum and the recorded electronic road show made available to investors (the “Recorded Road Show”). Any information in an Issuer Written Communication that is not otherwise included in the Pricing Disclosure Package and the Final Memorandum does not conflict with the Pricing Disclosure Package or the Final Memorandum and, each Issuer Written Communication, when taken together with the Pricing Disclosure Package does not at the Time of Execution and when taken together with the Final Memorandum at the Closing Date will not, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(f) The authorized, issued and outstanding equity interests of the Partnership are as set forth in the Offering Memorandum as of the dates specified therein. All of the issued equity interests of the Partnership and all of the issued shares of capital stock of Finance Co have been duly authorized and validly issued and are fully paid (to the extent required in the Partnership Agreement with respect to the Partnership) and nonassessable (except as such nonassessability may be affected by Sections 17-607 and 17-804 of the Delaware LP Act with respect to the Partnership); and none of the outstanding equity interests of the Partnership and none of the outstanding shares of capital stock of Finance Co were issued in violation of the preemptive or other similar rights of any security holder of the Partnership or Finance Co, respectively.

The Notes, the Exchange Notes and the Private Exchange Notes have each been duly authorized by the Issuers and, when executed by each of the Issuers and authenticated by the Trustee in

accordance with the provisions of the Indenture and, in the case of the Notes, when delivered to and paid for by the Initial Purchasers in accordance with the terms of this Agreement, and, in the case of any Exchange Notes or Private Exchange Notes, when issued in exchange for the Notes as provided in the Registration Rights Agreement, will constitute valid and legally binding obligations of each of the Issuers, entitled to the benefits of the Indenture, and enforceable against each of the Issuers in accordance with their terms, except that the enforcement thereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally, and (ii) general principles of equity and the discretion of the court before which any proceeding therefor may be brought (collectively, the "Enforceability Exceptions"). The Indenture has been duly authorized by each of the Issuers and Guarantors and, when executed and delivered by each of the Issuers and each Guarantor (assuming the due authorization, execution and delivery by the Trustee), will constitute a valid and legally binding agreement of each of the Issuers and each Guarantor, enforceable against each of the Issuers and each Guarantor in accordance with its terms, except that the enforcement thereof may be subject to the Enforceability Exceptions.

(j) Each of the Issuers and each Guarantor has all requisite corporate, partnership or limited liability company power and authority to execute, deliver and perform each of its obligations under the Registration Rights Agreement. The Registration Rights Agreement has been duly authorized by the Issuers and the Guarantors and, when executed and delivered by each of the Issuers and each Guarantor (assuming the due authorization, execution and delivery by the Initial Purchasers), will constitute a valid and legally binding agreement of each of the Issuers and each Guarantor, enforceable against each of the Issuers and each Guarantor in accordance with its terms, except that (A) the enforcement thereof may be subject to the Enforceability Exceptions and (B) any rights to indemnity or contribution thereunder may be limited by federal and state securities laws and public policy considerations.

(k) Each of the Issuers and each Guarantor has all requisite corporate, partnership or limited liability company power and authority to execute, deliver and perform each of its obligations under this Agreement and to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by each of the Issuers and each Guarantor.

(l) No permit, consent, approval, authorization, order, registration, filing or qualification (“Permits”) of or with any court or governmental agency or body having jurisdiction over any of the Issuers or any Material Subsidiary or any of their respective properties or assets is required in connection with the issuance and sale by the Issuers of the Notes to the Initial Purchasers or the consummation by the Issuers of the other transactions contemplated hereby, except (i) such Permits as may be required under the Act, the Exchange Act and state securities or “Blue Sky” laws of any jurisdiction, (ii) such Permits as have been obtained or will be obtained prior to the Closing Date, (iii) such Permits that, if not obtained, could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect and (iv) such Permits as are disclosed in the Offering Memorandum.

(m) Neither of the Issuers nor any Material Subsidiary is in (i) violation of its Organizational Documents, (ii) violation of any statute, law, rule or regulation, or any judgment, order, injunction or decree of any court, governmental agency or body or arbitrator having jurisdiction over any of the Issuers or Material Subsidiaries or any of their respective properties or assets or (iii) breach, default (or an event which, with notice or lapse of time or both, would constitute such an event) or violation in the performance of any obligation, agreement or condition contained in any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which it is a party or by which it or any of its properties may be bound, which in the case of either clause (ii) or (iii) would, if continued, have a Material Adverse Effect.

(n) None of (i) the execution, delivery and performance by either of the Issuers or any Guarantor of this Agreement, the Indenture and the Registration Rights Agreement or (ii) the consummation by either of the Issuers or any Guarantor of the transactions contemplated hereby (including, without limitation, the issuance and sale of the Notes to the Initial Purchasers) (A) conflicts or will conflict with or constitutes or will constitute a violation of the Organizational Documents of either of the Issuers or any Guarantor, (B) conflicts or will conflict with or constitutes or will constitute a breach or violation of, or a default (or an event that, with notice or lapse of time or both, would constitute such a default) under any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which either of the Issuers or any Guarantor is a party or by which any of them or any of their respective properties may be bound, or (C) (assuming compliance with all applicable state securities or “Blue Sky” laws and assuming the accuracy of the representations and warranties of the Initial Purchasers in Section 8 hereof) violates or will violate any statute, judgment, decree, order, rule or regulation applicable to either of the Issuers or any Guarantor or any of their respective properties or assets, except, with respect to clauses (B) and (C) only, for any such conflict, breach or violation that would not, individually or in the aggregate, have a Material Adverse Effect or materially impair the ability of the Issuers or the Guarantors, as applicable, to consummate the transactions contemplated by this Agreement.

(o) The Partnership Agreement has been duly authorized, executed and delivered by the General Partner, and is a valid and legally binding agreement of the General Partner, enforceable against the General Partner in accordance with its terms; provided, that, with respect to the Partnership Agreement, the enforceability thereof may be limited by the Enforceability Exceptions; provided, further, that the indemnity, contribution and exoneration provisions contained in any of such agreements may be limited by applicable laws and public policy.

(p) The Organizational Agreements of the Material Subsidiaries, as applicable, have been duly authorized, executed and delivered by the parties thereto, and are valid and legally binding agreements of such parties, enforceable against such parties in accordance with their terms; provided, that, with respect to such agreements, the enforceability thereof may be limited by the Enforceability Exceptions; provided, further, that the indemnity, contribution and exoneration provisions contained in any of such agreements may be limited by applicable laws and public policy.

(q) The historical consolidated financial statements of the Partnership and its Subsidiaries included in the Offering Memorandum present fairly in all material respects the financial position, results of operations and cash flows of the Partnership and its consolidated Subsidiaries purported to be shown thereby on the basis stated therein at the respective dates or for the respective periods to which they apply, and have been prepared in accordance with generally accepted accounting principles consistently applied throughout the periods involved, except to the extent disclosed therein. The summary and selected financial, statistical and operating information in the Offering Memorandum is accurately presented in all material respects and prepared on a basis consistent with the audited and unaudited historical consolidated financial statements, as applicable, from which it has been derived. PricewaterhouseCoopers LLP (the "Independent Accountants"), which has certified certain financial statements of the Partnership and its Subsidiaries and delivered its report with respect to the audited consolidated financial statements incorporated by reference in the Offering Memorandum, is an independent public accounting firm within the meaning of the Act and the rules and regulations promulgated thereunder. The interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Pricing Disclosure Package and the Final Memorandum fairly presents the information called for in all material respects and has been prepared in accordance with the Commission's rules and guidelines applicable thereto in all material respects.

(r) Except as set forth or contemplated in the Offering Memorandum, there is (i) no action, suit or proceeding before or by any court, arbitrator or governmental agency, body or official, domestic or foreign, now pending or, to the knowledge of the Partnership, threatened, to which any of the Issuers or Material Subsidiaries is or may be a party or to which the business or property of any of the Issuers or Material Subsidiaries is or may be subject, (ii) to the knowledge of the Partnership, no statute, rule, regulation or order that has been enacted, adopted or issued by any governmental agency and (iii) no injunction, restraining order or order of any nature issued by a federal or state court or foreign court of competent jurisdiction to which any of the Issuers or Material Subsidiaries is or may be subject, that, in the case of clauses (i), (ii) and (iii) above, is reasonably expected to (A) individually or in the aggregate have a Material Adverse Effect, (B) prevent the consummation of the issuance or sale of the Notes to be sold hereunder, or (C) draw into question the validity of this Agreement.

(s) Each of the Issuers and the Material Subsidiaries possesses such permits, licenses, approvals, consents and other authorizations (collectively, “**Governmental Licenses**”) issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct their respective businesses, except where the failure so to possess would not, individually or in the aggregate, result in a Material Adverse Effect; each of the Issuers and each Material Subsidiary is in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, individually or in the aggregate, result in a Material Adverse Effect; all of the Governmental Licenses are valid and in full force and effect, except when the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not, individually or in the aggregate, result in a Material Adverse Effect; and except as described in the Offering Memorandum, neither of the Issuers and no Material Subsidiary has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a Material Adverse Effect.

(t) Since the date of the most recent financial statements appearing in the Offering Memorandum and except as set forth or contemplated in the Offering Memorandum, (i) none of the Issuers or the Material Subsidiaries has incurred any liabilities or obligations, direct or contingent, or entered into or agreed to enter into any transactions or contracts (written or oral) not in the ordinary course of business, which liabilities, obligations, transactions or contracts would, individually or in the aggregate, be material to the general affairs, management, business, condition (financial or otherwise), prospects or results of operations of the Partnership and its Subsidiaries, taken as a whole and (ii) the Partnership has not purchased any of its outstanding equity interests, nor declared, paid or otherwise made any distribution of any kind on its equity interests (other than (A) the Partnership’s quarterly distributions and the Partnership’s monthly distributions on its Series A Fixed-to-Floating Rate Cumulative Redeemable Preferred Units, (B) with respect to any of the Subsidiaries, the purchase of, or dividend or distribution on, capital stock or equity interests owned by the Partnership and (C) distribution equivalent rights on any of the Partnership’s equity-based awards).

(u) Except as set forth or contemplated in the Offering Memorandum, each of the Issuers and the Material Subsidiaries has filed all foreign, federal, state and local tax returns that are required to be filed or has requested extensions thereof, except in any case in which the failure so to file, individually or in the aggregate, would not have a Material Adverse Effect, and has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except for any such tax, assessment, fine or penalty that is currently being contested in good faith or as, individually or in the aggregate, would not have a Material Adverse Effect.

(v) Immediately after the consummation of the transactions contemplated by this Agreement, the fair value and present fair saleable value of the assets of each of the Issuers and the Material Subsidiaries (each on a consolidated basis) will exceed the sum of its stated liabilities and identified contingent liabilities. Each of the Issuers and the

Guarantors is not now nor, after giving effect to the issuance of the Notes and the execution, delivery and performance of this Agreement, the Registration Rights Agreement and the Indenture and the consummation of the transactions contemplated thereby or described in the Offering Memorandum, will be (i) insolvent, (ii) left with unreasonably small capital with which to engage in its anticipated business or (iii) incurring debts or other obligations beyond its ability to pay such debts or obligations as they become due.

(w) Any statistical and market-related data included in the Offering Memorandum are based on or derived from sources that each of the Issuers and the Guarantors believe to be reliable and accurate, and the Issuers have obtained the written consent to the use of such data from such sources to the extent required.

(ee) Except as disclosed in the Offering Memorandum, no proceedings for the merger, consolidation, liquidation or dissolution of either of the Issuers or the Material Subsidiaries or the sale of all or a material part of the assets of either of the Issuers or the Material Subsidiaries or any material acquisition by either of the Issuers or any Material Subsidiary are pending that would be required by the Act to be disclosed in a prospectus included in a Registration Statement on Form S-1 under the Act.

(ff)(i) The Issuers and the Material Subsidiaries have not sustained, since the date of the latest audited financial statements included in the Offering Memorandum (exclusive of any amendment or supplement thereto), any material loss or interference with its business or properties from fire, explosion, flood, accident or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree (whether domestic or foreign) otherwise than as set forth in the Offering Memorandum (exclusive of any amendment or supplement thereto) and (ii) since such date, there has not occurred any change or development, in each case, that could reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

Assuming the accuracy of the representations and warranties of the Initial Purchasers in Section 8 hereof, it is not necessary in connection with the offer, sale and delivery of the Notes to the Initial Purchasers or the endorsement of the Guarantees by the Guarantors in the manner contemplated by this Agreement to register any of the Notes under the Act or to qualify the Indenture under the TIA.

(pp) No securities of either of the Issuers or the Guarantors are of the same class (within the meaning of Rule 144A under the Act) as the Notes and listed on a national securities exchange registered under Section 6 of the Exchange Act, or quoted in a U.S. automated inter-dealer quotation system.

(ww) None of the Issuers, the Subsidiaries or, to the knowledge of the Issuers, any director, officer, agent, employee or Affiliate of the Issuers or any of the Subsidiaries (in their capacity as directors, officers, agents or employees) is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S.

Section 3. Purchase, Sale and Delivery of the Notes. On the basis of the representations, warranties, agreements and covenants herein contained and subject to the terms and conditions herein set forth, the Issuers agree to issue and sell to the Initial Purchasers, and the Initial Purchasers, acting severally and not jointly, agree to purchase the Notes in the respective amounts set forth on Schedule 1 hereto from the Issuers at 99.25% of their principal amount. One or more certificates in global form for the Notes that the Initial Purchasers have agreed to purchase hereunder, each in such principal amount as the Initial Purchasers request upon notice to the Issuers at least 36 hours prior to the Closing Date, shall be delivered by or on behalf of the Issuers to the Trustee, as custodian for The Depository Trust Company (“DTC”), and the Notes in book-entry form shall be delivered to the Initial Purchasers through the facilities of DTC, against payment by or on behalf of the Initial Purchasers of the purchase price therefor by wire transfer (same day funds), to such account or accounts as the Partnership shall specify prior to the Closing Date, or by such means as the parties hereto shall agree prior to the Closing Date. Such delivery of the certificates and payment for the Notes shall be made at the offices of Vinson & Elkins L.L.P., 1001 Fannin Street, Suite 2500, Houston, Texas at 9:00 A.M. Section 4. Offering by the Initial Purchasers. The Initial Purchasers propose to make an offering of the Notes at the price and upon the terms set forth in the Pricing Disclosure Package and the Final Memorandum as soon as practicable after this Agreement is entered into and as in the judgment of the Initial Purchasers is advisable.

Section 5. Covenants of the Issuers and the Guarantors. Each Issuer and each Guarantor covenants and agrees with each of the Initial Purchasers as follows:

(a) Until the later of (i) the completion of the distribution of the Notes by the Initial Purchasers and (ii) the Closing Date, the Issuers will not amend or supplement the Pricing Disclosure Package or the Final Memorandum or otherwise distribute or refer to any Issuer Written Communication (other than the Recorded Road Show) unless the Initial Purchasers shall previously have been advised and furnished a copy for a reasonable period of time prior to the proposed amendment or supplement. The Issuers will promptly, upon the reasonable request of the Initial Purchasers or counsel for the Initial Purchasers, make any amendments or supplements to the Pricing Disclosure Package and the Final Memorandum that may be necessary or advisable in connection with the resale of the Notes by the Initial Purchasers.

(b) The Issuers will cooperate with the Initial Purchasers in arranging for the qualification of the Notes for offering and sale under the securities or “Blue Sky” laws of such jurisdictions as the Initial Purchasers may designate and will continue such qualifications in effect for as long as may be necessary to complete the resale of the Notes; provided, however, that in connection therewith, the Issuers shall not be required to qualify as a foreign limited partnership or corporation or to execute a general consent to service of process in any jurisdiction or subject itself to taxation in any such jurisdiction where it is not then so subject.

(c)(1) If, at any time prior to the completion of the sale by the Initial Purchasers of the Notes, any event occurs or information becomes known as a result of which the Final Memorandum as then amended or supplemented would include any untrue statement of a material fact, or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if for any other reason it is necessary at any time to amend or supplement the Final Memorandum to comply with applicable law, the Issuers will promptly notify the Initial Purchasers thereof and will prepare, at the expense of the Partnership, an amendment or supplement to the Final Memorandum that corrects such statement or omission or effects such compliance and (2) if at any time prior to the Closing Date (i) any event shall occur or condition shall exist as a result of which any of the Pricing Disclosure Package as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or any Issuer Written Communication would conflict with the Pricing Disclosure Package as then amended or supplemented, or (ii) it is necessary to amend or supplement any of the Pricing Disclosure Package so that any of the Pricing Disclosure Package or any Issuer Written Communication will comply with law, the Issuers will immediately notify the Initial Purchasers thereof and forthwith prepare and, subject to paragraph (a) above, furnish to the Initial Purchasers such amendments or supplements to any of the Pricing Disclosure Package or any Issuer Written Communication (it being understood that any such amendments or supplements may take the form of an amended or supplemented Final Memorandum) as may be necessary so that the statements in any of the Pricing Disclosure Package as so amended or supplemented will not, in light of the circumstances under which they were made, be misleading or so that any Issuer Written Communication will not conflict with the Pricing Disclosure Package or so that the Pricing Disclosure Package or any Issuer Written Communication as so amended or supplemented will comply with law.

(d) The Issuers will, without charge, provide to the Initial Purchasers and to counsel for the Initial Purchasers as many copies of the Pricing Disclosure Package, any Issuer Written Communication and the Final Memorandum or any amendment or supplement thereto as the Initial Purchasers may reasonably request.

(e) The Partnership will apply the net proceeds from the sale of the Notes as set forth under “Use of Proceeds” in the Pricing Disclosure Package and the Final Memorandum.

(f) Prior to the Closing Date, the Issuers will furnish to the Initial Purchasers, as soon as they have been prepared, a copy of any unaudited interim financial statements of the Issuers for any period subsequent to the period covered by the most recent financial statements appearing in the Pricing Disclosure Package and the Final Memorandum; provided, however, that the Issuers do not need to furnish such financial statements to the Initial Purchasers if they are available on the Commission’s website.

(g) None of the Issuers or any of its affiliates that it controls will, and the Issuers will use their commercially reasonable efforts to cause their other affiliates not to, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any “security” (as defined in the Act) that could be integrated with the sale of the Notes in a manner which would require the registration under the Act of the Notes.

(h) The Issuers will not, and will not permit any of their subsidiaries or their respective affiliates that they control or persons acting on their behalf to, and the Issuers will use their commercially reasonable efforts to cause their other affiliates not to, engage in any form of general solicitation or general advertising (as those terms are used in Regulation D under the Act) in connection with the offering of the Notes or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Act.

(i) For so long as any of the Notes remain outstanding, the Issuers or Targa Resources Corp. will make available at their expense, upon request, to any holder of such Notes and any prospective purchasers thereof the information specified in Rule 144A(d)(4) under the Act, unless either of the Issuers or Targa Resources Corp. is then subject to Section 13 or 15(d) of the Exchange Act.

(j) The Issuers will use their commercially reasonable efforts to permit the Notes to be eligible for clearance and settlement through DTC.

(k) During the period beginning on the date hereof and continuing to the date that is 45 days after the Closing Date, without the prior written consent of the Representative, the Issuers will not offer, sell, contract to sell or otherwise dispose of, except as provided hereunder, any securities of the Issuers (or guaranteed by the Issuers) that are substantially similar to the Notes (except for the Notes which would be issuable pursuant to the exchange offer described in the Preliminary Memorandum and the Final Memorandum).

(l) In connection with Notes offered and sold in an offshore transaction (as defined in Regulation S) the Issuers will not register any transfer of such Notes not made in accordance with the provisions of Regulation S and will not, except in accordance with the provisions of Regulation S, if applicable, issue any such Notes in the form of definitive securities.

(m) None of the Issuers or any of their affiliates that they control will engage in any directed selling efforts (as that term is defined in Regulation S) with respect to the Notes.

(n) For a period of one year (calculated in accordance with paragraph (d) of Rule 144 under the Act) following the date any Notes are acquired by either of the Issuers or any of their affiliates, if the Notes are Registrable Securities (as defined in the Registration Rights Agreement), neither of the Issuers nor any of their respective affiliates that they control will sell any such Notes.

(o) For so long as any Notes are outstanding, the Issuers and the Guarantors will conduct their operations in a manner that will not subject the Issuers or any Guarantor to registration as an investment company under the Investment Company Act.

(p) Each Note will bear a legend substantially to the following effect until such legend shall no longer be necessary or advisable because the Notes are no longer subject to the restrictions on transfer described therein:

reason of a default by the Initial Purchasers of their obligations hereunder after all conditions hereunder have been satisfied in accordance herewith), the Issuers agree to promptly reimburse the Initial Purchasers upon demand for all out-of-pocket expenses (including reasonable fees, disbursements and charges of Gibson, Dunn & Crutcher LLP, counsel for the Initial Purchasers) that shall have been incurred by the Initial Purchasers in connection with the proposed purchase and sale of the Notes.

(iv) The Issuers and each Covered Guarantor have all requisite corporate, limited partnership or limited liability company power and authority to execute, deliver and perform each of their obligations under the Indenture, the Notes, the Exchange Notes and the Private Exchange Notes (each as defined in the Registration Rights Agreement); the Indenture meets the requirements for qualification under the TIA; the Indenture has been duly and validly authorized by the Issuers and each Covered Guarantor and, when duly executed and delivered by the Issuers and each Covered Guarantor (assuming the due authorization, execution and delivery thereof by the Trustee and SouthOk), will constitute the valid and legally binding agreement of the Issuers and each Guarantor, enforceable against the Issuers and each Guarantor in accordance with its terms, except that the enforcement thereof may be subject to the Enforceability Exceptions.

(v) The Notes have each been duly and validly authorized by the Issuers and, when duly executed and delivered by the Issuers and paid for by the Initial Purchasers in accordance with the terms of this Agreement (assuming the due authorization, execution and delivery of the Indenture by the Trustee and due authentication and delivery of the Notes by the Trustee in accordance with the Indenture), will constitute the valid and legally binding obligations of the Issuers, entitled to the benefits of the Indenture, and enforceable against the Issuers in accordance with their terms, except that the enforcement thereof may be subject to the Enforceability Exceptions.

(vi) The Guarantees have been duly and validly authorized by the Covered Guarantors and when the Notes have been paid for by the Initial Purchasers in accordance with the terms of this Agreement (assuming the due authorization, execution and delivery of the Indenture by the Trustee and SouthOk and the due authentication of the Notes by the Trustee in accordance with the Indenture), will constitute the valid and legally binding obligations of the Guarantors, entitled to the benefits of the Indenture, and enforceable against the Guarantors in accordance with their terms, except that the enforcement thereof may be subject to the Enforceability Exceptions.

(vii) The Exchange Notes and the Private Exchange Notes have been duly and validly authorized by the Issuers, and if and when the Exchange Notes and the Private Exchange Notes are duly executed and delivered by the Issuers in accordance with the terms of the Registration Rights Agreement and the Indenture

(viii) The Issuers and the Covered Guarantors have all requisite partnership, limited liability company or corporate power and authority to execute, deliver and perform their obligations under the Registration Rights Agreement; the Registration Rights Agreement has been duly and validly authorized by the Issuers and the Covered Guarantors and, when duly executed and delivered by the Issuers and the Covered Guarantors (assuming due authorization, execution and delivery thereof by the Initial Purchasers and SouthOk), will constitute the valid and legally binding agreement of the Issuers and the Guarantors, enforceable against the Issuers and the Guarantors in accordance with its terms, except that (A) the enforcement thereof may be subject to the Enforceability Exceptions and (B) any rights to indemnity or contribution thereunder may be limited by federal and state securities laws and public policy considerations.

(ix) The Issuers and the Covered Guarantors have all requisite corporate, partnership or limited liability company power and authority to execute, deliver and perform their obligations under this Agreement and to consummate the transactions contemplated hereby; this Agreement and the consummation by the Issuers and the Covered Guarantors of the transactions contemplated hereby have been duly and validly authorized by the Issuers and the Covered Guarantors. This Agreement has been duly executed and delivered by the Issuers and the Covered Guarantors.

(x)(a) The descriptions of the Indenture, the Notes and the Registration Rights Agreement contained in the Pricing Disclosure Package and the Final Memorandum are accurate in all material respects, and (b) the statements under the caption "Certain United States Federal Income Tax Considerations" in the Pricing Disclosure Package and the Final Memorandum insofar as they purport to constitute a summary of United States federal tax law and regulations or legal conclusions with respect thereto, constitute accurate summaries of the matters described therein in all material respects, subject to the assumptions and qualifications set forth therein.

(xi) The execution, delivery and performance of this Agreement, the Indenture, the Registration Rights Agreement and the consummation of the transactions contemplated hereby and thereby (including, without limitation, the issuance and sale of the Notes to the Initial Purchasers) will not constitute or result in a breach or a default under (or an event that with notice or passage of time or both would constitute a default under) any of (i) the terms or provisions of

any Contract listed on Annex B hereto, (ii) the Organizational Documents of any of the Issuers or the Covered Guarantors, or (iii) any statute, judgment, decree, order, rule or regulation (excluding any securities laws, rules or regulations) known to such counsel to be applicable to the Issuers or any of the Covered Guarantors or any of their respective properties or assets, except, with respect to clauses (i) and (iii) only, for any such conflict, breach or violation that could not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect.

(xii) No consent, approval, authorization or order of any governmental authority is required for the issuance and sale by the Issuers of the Notes to the Initial Purchasers or the consummation by the Issuers of the other transactions contemplated hereby, except such as may be required under securities laws, as to which such counsel need express no opinion in this paragraph, and those which have previously been obtained.

(xiii) None of the Issuers or the Covered Guarantors is, or immediately after the sale of the Notes to be sold hereunder and the application of the proceeds from such sale (as described in the Pricing Disclosure Package and the Final Memorandum under the caption "Use of Proceeds") will be, an "investment company" as such term is defined in the Investment Company Act of 1940, as amended.

(xiv) No registration under the Act of the Notes is required in connection with the sale of the Notes to the Initial Purchasers or in connection with the initial resale of the Notes by the Initial Purchasers, in each case, as contemplated by this Agreement and the Pricing Disclosure Package and the Final Memorandum, and prior to the commencement of the Exchange Offer (as defined in the Registration Rights Agreement) or the effectiveness of the Shelf Registration Statement (as defined in the Registration Rights Agreement), the Indenture is not required to be qualified under the TIA.

At the time the foregoing opinion is delivered, Vinson & Elkins L.L.P. shall additionally state that it has participated in conferences with officers and other representatives of the Issuers, representatives of the independent registered public accountants for the Issuers, representatives of the Initial Purchasers and counsel for the Initial Purchasers, at which conferences the contents of the Pricing Disclosure Package and the Final Memorandum and related matters were discussed, and, although it has not independently verified, and is not passing on and assumes no responsibility for the accuracy, completeness or fairness of the statements contained in the Pricing Disclosure Package and the Final Memorandum (except to the extent specified in subsection 7(a)(ix)), no facts have come to its attention which lead it to believe that the Pricing Disclosure Package, as of the Time of Execution or at the Closing Date, or that the Final Memorandum, as of its date or at the Closing Date, contained an untrue statement of a material fact or omitted to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading (it being understood that such firm need make no comment with respect to the financial statements and related notes thereto and the other financial and accounting data derived from the Issuers' books and records included in the Pricing Disclosure Package or the Final Memorandum).

The opinion and advice of Vinson & Elkins L.L.P. described in this Section 7 shall be rendered to the Initial Purchasers at the request of the Partnership and shall so state therein.

(b) On the Closing Date, the Initial Purchasers shall have received the opinion, in form and substance satisfactory to the Initial Purchasers, dated as of the Closing Date and addressed to the Initial Purchasers, of Gibson, Dunn & Crutcher LLP, counsel for the Initial Purchasers, with respect to certain legal matters relating to this Agreement and such other related matters as the Initial Purchasers may reasonably require. In rendering such opinion, Gibson, Dunn & Crutcher LLP shall have received and may rely upon such certificates and other documents and information as it may reasonably request to pass upon such matters.

(c) On the date hereof, the Initial Purchasers shall have received from the Independent Accountants a comfort letter dated the date hereof, in form and substance satisfactory to counsel for the Initial Purchasers with respect to the audited and any unaudited financial information in the Pricing Disclosure Package. On the Closing Date, the Initial Purchasers shall have received from the Independent Accountants a comfort letter dated the Closing Date, in form and substance satisfactory to counsel for the Initial Purchasers, which shall refer to the comfort letter dated the date hereof and reaffirm or update as of a more recent date, the information stated in the comfort letter dated the date hereof and similarly address the audited and any unaudited financial information in the Final Memorandum.

(d) The representations and warranties of the Issuers and the Guarantors contained in this Agreement shall be true and correct on and as of the Time of Execution and on and as of the Closing Date as if made on and as of the Closing Date; the statements of the Issuers' officers made pursuant to any certificate delivered in accordance with the provisions hereof shall be true and correct on and as of the date made and on and as of the Closing Date; the Issuers shall have performed all covenants and agreements and satisfied all conditions on their part to be performed or satisfied hereunder at or prior to the Closing Date; and, except as described in the Pricing Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto after the date hereof), subsequent to the date of the most recent financial statements in such Pricing Disclosure Package and the Final Memorandum, there shall have been no event or development, and no information shall have become known, that, individually or in the aggregate, has or would be reasonably likely to have a Material Adverse Effect.

(e) The sale of the Notes hereunder shall not be enjoined (temporarily or permanently) on the Closing Date.

(f) Subsequent to the date of the most recent financial statements in the Pricing Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto after the date hereof), none of the Issuers nor any of the Material Subsidiaries shall have sustained any loss or interference with respect to its business or properties from fire, flood, hurricane, accident or other calamity, whether or not covered by insurance, or from any strike, labor dispute, slow down or work stoppage or from any legal or governmental proceeding, order or decree, which loss or interference, individually or in the aggregate, has or would be reasonably likely to have a Material Adverse Effect.

(g) The Initial Purchasers shall have received:

(x) a certificate, dated the Closing Date, signed by the Chief Executive Officer or Chief Financial Officer of the General Partner, to the effect that:

(i) the representations and warranties of the Partnership and the Guarantors contained in this Agreement are true and correct on and as of the Time of Execution and on and as of the Closing Date, and the Partnership and the Guarantors have performed all covenants and agreements and satisfied all conditions on their part to be performed or satisfied hereunder at or prior to the Closing Date;

(ii) at the Closing Date, since the date hereof or since the date of the most recent financial statements in the Pricing Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto after the date hereof), no event or development has occurred, and no information has become known, that, individually or in the aggregate, has or would be reasonably likely to have a Material Adverse Effect; and

(iii) the sale of the Notes hereunder has not been enjoined (temporarily or permanently); and

(y) a certificate, dated the Closing Date, signed by the Chief Executive Officer or the Chief Financial Officer of Finance Co, to the effect that:

(i) the representations and warranties of Finance Co contained in this Agreement are true and correct on and as of the Time of Execution and on and as of the Closing Date, and Finance Co has performed all covenants and agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date;

(ii) at the Closing Date, since the date hereof or since the date of the most recent financial statements in the Pricing Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto after the date hereof), no event or development has occurred, and no information has become known, that, individually or in the aggregate, has or would be reasonably likely to have a Material Adverse Effect; and

(iii) the sale of the Notes hereunder has not been enjoined (temporarily or permanently).

(h) On the Closing Date, the Initial Purchasers shall have received the Registration Rights Agreement executed by the Issuers and the Guarantors and such agreement shall be in full force and effect.

On or before the Closing Date, the Initial Purchasers and counsel for the Initial Purchasers shall have received such further documents, opinions, certificates, letters and schedules or instruments relating to the business, corporate, legal and financial affairs of the Issuers and the Guarantors as they shall have heretofore reasonably requested from the Issuers.

All such documents, opinions, certificates, letters, schedules or instruments delivered pursuant to this Agreement will comply with the provisions hereof only if they are reasonably satisfactory in all material respects to the Initial Purchasers and counsel for the Initial Purchasers. The Issuers shall furnish to the Initial Purchasers such conformed copies of such documents, opinions, certificates, letters, schedules and instruments in such quantities as the Initial Purchasers shall reasonably request.

Section 8. Offering of Notes; Restrictions on Transfer.

(a) Each of the Initial Purchasers agrees with the Issuers (as to itself only) that (i) it has not and will not solicit offers for, or offer or sell, the Notes by any form of general solicitation or general advertising (as those terms are used in Regulation D under the Act) or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Act; and (ii) it has and will solicit offers for the Notes only from, and will offer the Notes only to (A) in the case of offers inside the United States, persons whom the Initial Purchasers reasonably believe to be QIBs, in transactions under Rule 144A and (B) in the case of offers outside the United States, to persons other than U.S. persons (“non-U.S. purchasers,” which term shall include dealers or other professional fiduciaries in the United States acting on a discretionary basis for non-U.S. beneficial owners (other than an estate or trust)); provided, however, that, in the case of this clause (B), in purchasing such Notes such persons are deemed to have represented and agreed as provided under the caption “Transfer Restrictions” contained in the Pricing Disclosure Package and the Final Memorandum.

(b) Each of the Initial Purchasers represents and warrants (as to itself only) that (1) it is a QIB and (2) with respect to offers and sales outside the United States that (i) the Notes have not been and will not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the Act or pursuant to an exemption from the registration requirements of the Act; and (ii) it has offered the Notes and will offer and sell the Notes (A) as part of its distribution at any time and (B) otherwise until 40 days after the later of the commencement of the offering and the Closing Date, only in accordance with Rule 903 of Regulation S and, accordingly, neither it nor any persons acting on its behalf have engaged or will engage in any directed selling efforts (within the meaning of Regulation S) with respect to the Notes, and any such persons have complied and will comply with the offering restrictions requirement of Regulation S.

(c) Each Initial Purchaser, severally and not jointly, represents and warrants and agrees with the Issuers that:

(i) in relation to each Member State of the European Economic Area (each, a “Member State”), it has not made and will not make an offer of Notes to the public in that Member State prior to the publication of an offering memorandum in relation to the notes which has been approved by the competent authority in that Member State or, where appropriate, approved in another Member State and notified to the competent authority in that Member State, all in accordance with the Prospectus Directive, other than: (A) to any legal entity which is a qualified investor as defined in the Prospectus Directive; (B) to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the Representative; or (C) in any other circumstances falling within Article 3(2) of the Prospectus Directive; provided that no such offer of Notes shall require the Issuers or the Representative to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “Prospectus Directive” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive), and includes any relevant implementing measure in the Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

(ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act of 2000 (the “FSMA”)) received by it in connection with the issue or sale of the Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuers; and

(iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

Terms used in this Section 8 and not defined in this Agreement have the meanings given to them in Regulation S.

Section 9. Indemnification and Contribution.

(a) The Issuers and the Guarantors, jointly and severally, agree to indemnify and hold harmless the Initial Purchasers, their directors, officers, affiliates and each person, if any, who controls any Initial Purchaser within the meaning of Section 15 of the Act or Section 20 of the Exchange Act against any losses, claims, damages or liabilities to which any Initial Purchaser, any such director, officer, affiliate or controlling person may become subject under the Act, the Exchange Act or otherwise, insofar as any such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon the following:

(i) any untrue statement or alleged untrue statement of any material fact contained in the Pricing Disclosure Package, any Issuer Written Communication or Final Memorandum or any amendment or supplement thereto; or

(ii) the omission or alleged omission to state, in the Pricing Disclosure Package, any Issuer Written Communication or the Final Memorandum or any amendment or supplement thereto, a material fact necessary to make the statements therein not misleading;

and will reimburse, as incurred, the Initial Purchasers, any such director, officer, affiliate and controlling person for any legal or other expenses reasonably incurred by the Initial Purchasers, their directors, officers, affiliates or controlling persons in connection with investigating, defending against or appearing as a third-party witness in connection with any such loss, claim, damage, liability or action; provided, however, neither the Issuers nor the Guarantors will be liable in any such case to the extent that any such loss, claim, damage, expense or liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in the Pricing Disclosure Package or Final Memorandum or any amendment or supplement thereto in reliance upon and in conformity with written information concerning such Initial Purchaser furnished to the Partnership by the Initial Purchasers through the Representative specifically for use therein. The indemnity provided for in this Section 9 will be in addition to any liability that the Partnership may otherwise have to the indemnified parties. Neither the Issuers nor the Guarantors will be liable under this Section 9 for any settlement of any claim or action effected without its prior written consent, which shall not be unreasonably withheld.

(b) Each Initial Purchaser, severally and not jointly, agrees to indemnify and hold harmless each of the Issuers and Guarantors, and their respective directors, officers and each person, if any, who controls the Issuers or Guarantors within the meaning of Section 15 of the Act or Section 20 of the Exchange Act against any losses, claims, damages or liabilities to which the Issuers or Guarantors or any such director, officer or controlling person may become subject under the Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in the Pricing Disclosure Package or Final Memorandum or any amendment or supplement thereto, or (ii) the omission or the alleged omission to state therein a material fact necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information concerning the Initial Purchasers, furnished to the Issuers and Guarantors by

the Initial Purchasers through the Representative specifically for use therein; and subject to the limitation set forth immediately preceding this clause, will reimburse, as incurred, any legal or other expenses reasonably incurred by the Issuers or Guarantors or any such director, officer or controlling person in connection with investigating or defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability or action in respect thereof. The indemnity provided for in this Section 9 will be in addition to any liability that the Initial Purchasers may otherwise have to the indemnified parties. The Initial Purchasers shall not be liable under this Section 9 for any settlement of any claim or action effected without their consent, which shall not be unreasonably withheld.

(c) Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action for which such indemnified party is entitled to indemnification under this Section 9, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party of the commencement thereof in writing; but the omission to so notify the indemnifying party (i) will not relieve it from any liability under paragraph (a) or (b) above unless and to the extent such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraphs (a) and (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, that if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, or (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after receipt by the indemnifying party of notice of the institution of such action, then, in each such case, the indemnifying party shall not have the right to direct the defense of such action on behalf of such indemnified party or parties and such indemnified party or parties shall have the right to select separate counsel to defend such action on behalf of such indemnified party or parties. After notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof and approval by such indemnified party of counsel appointed to defend such action, the indemnifying party will not be liable to such indemnified party under this Section 9 for any legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof, unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that in connection with such action the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to local counsel) in any one action or separate but substantially similar actions in the same jurisdiction arising out of the same general allegations or circumstances, designated by the Initial Purchasers in the case of paragraph (a) of this Section 9 or the Issuers and Guarantors in the case of paragraph (b) of this Section 9, representing the indemnified parties under such paragraph (a) or paragraph (b), as the case may

be, who are parties to such action or actions) or (ii) the indemnifying party has authorized in writing the employment of counsel for the indemnified party at the expense of the indemnifying party. All fees and expenses reimbursed pursuant to this paragraph (c) shall be reimbursed as they are incurred. After such notice from the indemnifying party to such indemnified party, the indemnifying party will not be liable for the costs and expenses of any settlement of such action effected by such indemnified party without the prior written consent of the indemnifying party (which consent shall not be unreasonably withheld), unless such indemnifying party waived in writing its rights under this Section 9, in which case the indemnified party may effect such a settlement without such consent. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement or compromise of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party, or indemnity could have been sought hereunder by any indemnified party, unless such settlement (A) includes an unconditional written release of the indemnified party, in form and substance reasonably satisfactory to the indemnified party, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to an admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In circumstances in which the indemnity agreement provided for in the preceding paragraphs of this Section 9 is unavailable to, or insufficient to hold harmless, an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof), each indemnifying party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect (i) the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the offering of the Notes or if the allocation provided by the foregoing clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof). The relative benefits received by the Issuers and Guarantors on the one hand and the Initial Purchasers on the other shall be deemed to be in the same proportion as the total proceeds from the offering (after deducting discounts and commissions but before deducting expenses) received by the Issuers and Guarantors bear to the total discounts and commissions received by such Initial Purchaser. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuers and Guarantors on the one hand, or such Initial Purchaser on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission, and any other equitable considerations appropriate in the circumstances. The Issuers, the Guarantors and the Initial Purchasers agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the first sentence of this paragraph (d). Notwithstanding any other provision of this paragraph (d), no Initial Purchaser shall be obligated to make contributions hereunder that in the aggregate exceed the total discounts, commissions and other compensation received by such Initial Purchaser under this Agreement, less the aggregate amount of any damages that such Initial Purchaser has otherwise been required to pay by reason

of the untrue or alleged untrue statements or the omissions or alleged omissions to state a material fact, and no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Initial Purchasers are several and not joint. For purposes of this paragraph (d), each director, officer and affiliate of the Initial Purchasers and each person, if any, who controls any Initial Purchaser within the meaning of Section 15 of the Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Initial Purchasers, and each director of either of the Issuers or any of the Guarantors, each officer of either of the Issuers or any of the Guarantors and each person, if any, who controls either of the Issuers or any of the Guarantors within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, shall have the same rights to contribution as the Partnership.

Section 10. Survival Clause. The respective representations, warranties, agreements, covenants, indemnities and other statements of each of the Issuers, Guarantors, their respective officers and the Initial Purchasers set forth in this Agreement or made by or on behalf of them pursuant to this Agreement shall remain in full force and effect, regardless of (i) any investigation made by or on behalf of any of the Issuers, Guarantors, any of their respective officers or directors, the Initial Purchasers, any of their officers, directors, affiliates or controlling persons referred to in Section 9 hereof and (ii) delivery of and payment for the Notes. The respective agreements, covenants, indemnities and other statements set forth in Sections 6, 9, 10 and 15 hereof shall remain in full force and effect, regardless of any termination or cancellation of this Agreement.

Section 11. Termination.

(a) This Agreement may be terminated in the sole discretion of the Initial Purchasers by notice to the Issuers given prior to the Closing Date in the event that the Issuers shall have failed, refused or been unable to perform all obligations and satisfy all conditions on its part to be performed or satisfied hereunder at or prior thereto or, if, after the date hereof and at or prior to the Closing Date,

(i) trading in securities of the Partnership or Targa Resources Corp. shall have been suspended by the Commission or the New York Stock Exchange;

(ii) there shall have been, in the sole judgment of the Representative, any event or development that, individually or in the aggregate, has or could be reasonably likely to have a Material Adverse Effect (including without limitation a change in control of the Issuers or the Guarantors), except in each case as described in the Pricing Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto);

(iii) trading in securities generally on the New York Stock Exchange shall have been suspended or materially limited or minimum or maximum prices shall have been established on any such exchange or market;

(iv) a banking moratorium shall have been declared by New York or United States authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States shall have occurred;

(v) there shall have been (A) an outbreak or escalation of hostilities between the United States and any foreign power or (B) an outbreak or escalation of any other insurrection or armed conflict involving the United States or any other national or international calamity or emergency, which in the case of (A) and (B) above and in the sole judgment of the Representative, makes it impracticable or inadvisable to proceed with the offering or the delivery of the Notes as contemplated by the Pricing Disclosure Package and the Final Memorandum; or

(vi) any securities of the Partnership shall have been downgraded by any nationally recognized statistical rating organization or any such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its ratings of any securities of the Partnership (other than an announcement with positive implications of a possible upgrading).

(b) Termination of this Agreement pursuant to this Section 11 shall be without liability of any party to any other party except as provided in Section 10 hereof.

Section 12. Default of One or More of the Several Initial Purchasers.

(a) If any one or more of the several Initial Purchasers shall fail or refuse to purchase the Notes that it or they have agreed to purchase hereunder on the Closing Date, and the aggregate number of the Notes which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase does not exceed 10% of the aggregate number of the Notes to be purchased on such date, the other Initial Purchasers shall be obligated, severally, in the proportions that the number of Securities set forth opposite their respective names on Schedule 1 bears to the aggregate number of the Notes set forth opposite the names of all such non-defaulting Initial Purchasers, or in such other proportions as may be specified by the Initial Purchasers with the consent of the non-defaulting Initial Purchasers, to purchase the Notes which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase on the Closing Date. If any one or more of the Initial Purchasers shall fail or refuse to purchase the Notes and the aggregate number of the Notes with respect to which such default occurs exceeds 10% of the aggregate number of the Notes to be purchased on the Closing Date, and arrangements satisfactory to the Initial Purchasers and the Issuers for the purchase of such Notes are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Sections 6 and 9 hereof shall at all times be effective and shall survive such termination. In any such case either the Initial Purchasers or the Issuers shall have the right to postpone the Closing Date, as the case may be, but in no event for longer than seven days in order that the required changes, if any, to the Final Offering Memorandum or any other documents or arrangements may be effected.

(b) As used in this Agreement, the term “Initial Purchaser” shall be deemed to include any person substituted for a defaulting Initial Purchaser under this Section 12. Any action taken under this Section 12 shall not relieve any defaulting Initial Purchaser from liability in respect of any default of such Initial Purchaser under this Agreement.

Section 13. Information Supplied by the Initial Purchasers. The statements set forth in the last paragraph on the front cover page (as such paragraph is supplemented by the item on Annex A) and in the fourth paragraph and the tenth through twelfth paragraphs under the heading “Plan of Distribution” in the Preliminary Memorandum and the Final Memorandum (to the extent such statements relate to the Initial Purchaser) constitute the only information furnished by the Initial Purchasers to the Issuers for the purposes of Sections 2(a) and 9 hereof.

Section 14. Notices. Section 15. Successors. This Agreement shall inure to the benefit of and be binding upon the Initial Purchasers, the Issuers and their respective successors and legal representatives, and nothing expressed or mentioned in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement, or any provisions herein contained; this Agreement and all conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of such persons and for the benefit of no other person except that (i) the indemnities of the Issuers contained in Section 9 of this Agreement shall also be for the benefit of the directors, officers and employees of the Initial Purchasers and any person or persons who control the Initial Purchasers within the meaning of Section 15 of the Act or Section 20 of the Exchange Act and (ii) the indemnities of the Initial Purchasers contained in Section 9 of this Agreement shall also be for the benefit of the directors of the Issuers, their officers and any person or persons who control the Issuers within the meaning of Section 15 of the Act or Section 20 of the Exchange Act. No purchaser of Notes from the Initial Purchasers will be deemed a successor because of such purchase.

Section 16. APPLICABLE LAW. THE VALIDITY AND INTERPRETATION OF THIS AGREEMENT, ANY CLAIM, COUNTERCLAIM OR DISPUTE OF ANY KIND OR NATURE WHATSOEVER ARISING OUT OF OR IN ANY WAY RELATING TO THIS AGREEMENT, DIRECTLY OR INDIRECTLY, AND THE TERMS AND CONDITIONS SET FORTH HEREIN SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY THEREIN, WITHOUT GIVING EFFECT TO ANY PROVISIONS THEREOF RELATING TO CONFLICTS OF LAW.

Section 17. No Advisory or Fiduciary Responsibility. The Issuers and the Guarantors acknowledge and agree that (i) the purchase and sale of the Notes pursuant to this Agreement is an arm's-length commercial transaction between the Issuers, on the one hand, and the Initial Purchasers, on the other, (ii) in connection therewith and with the process leading to such transaction each Initial Purchaser is acting solely as a principal and not the agent or fiduciary of either of the Issuers, (iii) no Initial Purchaser has assumed an advisory or fiduciary responsibility in favor of either of the Issuers with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Initial Purchaser has advised or is currently advising either of the Issuers on other matters) or any other obligation to the Issuers except the obligations expressly set forth in this Agreement and (iv) each of the Issuers has consulted its own legal and financial advisors to the extent it deemed appropriate. Each of the Issuers agrees that it will not claim that any Initial Purchaser has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to either of the Issuers, in connection with such transaction or the process leading thereto.

Section 18. USA PATRIOT Act. In accordance with the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Initial Purchasers are required to obtain, verify and record information that identifies their respective clients, including the Issuers, which information may include the name and address of their respective clients, as well as other information that will allow the Initial Purchasers to properly identify their respective clients.

Section 19. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

If the foregoing correctly sets forth our understanding, please indicate your acceptance thereof in the space provided below for that purpose, whereupon this letter shall constitute a binding agreement between the Issuers and the Initial Purchasers.

Very truly yours,
